

# United by Sam

Our Sam was diagnosed with feline infectious peritonitis (PIF) which is caused by a feline coronavirus (FCoV). The treatment that gives an 87% chance of cure includes 84 injections but unfortunately...

## Support now.

It's fast and easy. Follow these three simple steps.

### STEP 1

Specify the contribution value and click Contribute or click on the desired reward. You can specify any integer amount from 1€.

### STEP 2

Fill in your identification (name and email) and click Next. You can leave a public and private message, and make your contribution anonymous.

### STEP 3

Review your pledge, select the payment method and click Submit. For international payments we recommend PayPal. Thank you!
