Orquestra Nova de Guitarras

Mr. Miguel Madaleno

Dear Sirs,

You are cordially invited to participate in the Grand Opening Ceremony and Concert for the new, Matko Brajša Rašan Independent School of Art in Labin, Croatia. Please help us celebrate our new beginning!

For the past 25 years, our School was structured under the Public University in Labin. Now, we are independent with our Music and Dance Departments together. Our students will be able to learn piano, violin, flute, clarinet, saxophone, guitar, accordion, drums and modern dance. This is a very exciting opportunity for all of us to focus on the arts and the future of our music and dance students.

The Grand Opening Ceremony and Concert is planned between September 15 -20, 2014 (a specific date will be announced later). We can provide food and accommodation for your students during your stay in Labin, as well as bus transportation between the airport and the school.

It would be wonderful if this festive event could be the beginning of future cooperation between our countries and orchestras. This will have many benefits for all of our students and would be a fantastic opportunity for them.

We greatly look forward to your confirmation and hope you will respond soon. Preparations for this big event are starting soon.

Yours sincerely,

Melita Lasek, Director of School
